

Fall 2020

CAL MARITIME DINING NEWS

Campus dining should be safe, convenient, and delicious. We're on it!
To check out meal plan options or upgrade today, visit calmaritime.sodexomyway.com

RESIDENT DINING

- The Dining Center is operating on a online ordering and takeout basis only
- Three meals are provided each day for breakfast, lunch and dinner. Brunch service open on Sundays
- Different meal options to choose from daily
- Vegetarian, vegan, special diet and allergen-friendly meals always available for takeout upon request

RETAIL DINING

- The Bistro and Morrow Cove are temporarily closed
- NEW! Bistro Express Cart serving Peets Coffee
- Takeout meal exchange and Simply To Go prepackaged items are offered
- No indoor seating- enjoy outdoor areas

TECHNOLOGY

- All cashier stations offer touchless payment and campus ID scanning
- Follow us at CalMaritimeCampusDining on Instagram for dining updates, hours of operation, posted menus, fun and giveaways
- Text "DineMaritime" to 82257 for comments, questions, concerns or meal requests

HEALTH & SAFETY

- Daily temperature monitor checks and initial COVID-19 screening is required for all employees
- Masks and gloves worn by all employees
- Face coverings required for everyone on campus
- All high-touch surfaces cleaned and sanitized after each customer and throughout the day

MEAL PLAN INFO

- Our meal plans offer students living on campus the convenience and variety of food they need to enjoy their time at Cal Maritime
- Residential meal plans are provided by Dining Services but are purchased in conjunction with on-campus housing through Residential Housing Life
- Visit calmaritime.sodexomyway.com/my-meal-plan for more info

ADDITIONAL INFO

- Only people who have received their negative COVID-19 test results are allowed to enter the Dining Center
- Employees recently exposed or with symptoms are not permitted to work
- Signage is located in all dining locations to manage and encourage social distancing
- Handwashing stations are located outside of the DC
